

The Mustard Seed Spin is an annual family bike ride along the American River Parkway. The mission of the Mustard Seed Spin is to promote total wellness for youth through safe cycling, while creating opportunities to help less fortunate children. We are specifically committed to generating a financial contribution to the Mustard Seed School every year. The Mustard Seed Spin is now a 501(c)3 organization. Tax exempt status will give our event even greater stability in our community. We are hopeful that the Mustard Seed Spin will continue to be an important part of Sacramento's fall planning for fun, fitness, and philanthropy.

Besides offering the event to families, we are committed to creating an opportunity for as many underprivileged kids as possible each year. Our scholarship program offers free ridership, a refurbished bike and new helmet to keep, for up to 50 children each year. We are planning to continue to expand our scholarship outreach.

Our rider fees and any additional donations to the ride all go directly to the Mustard Seed School for homeless children. Over the last 7 years, our donations have totaled over \$150,000. The School does not receive any federal, state, or local subsidies and is fully dependent on private donations. The Mustard Seed School serves the most unfortunate members of our Sacramento community and provides vital and nurturing transitional education for the time students are homeless.

The seventh annual Mustard Seed Spin is happening on Sunday, September 30<sup>th</sup>, 2012, at William Pond Park. Our levels of sponsorship are as follows and include market value of any in-kind donations:

Bronze: \$100-\$249      Silver: \$250-\$499  
Gold: \$500-\$999      Platinum: \$1000-\$2499  
Titanium: \$2500 and greater  
Bike donor (for the raffle): new bikes of any value welcome

Please contact us as soon as possible if you are interested in participating. We invite you to be part of this exciting community event, where kids ride for kids!
